1 Introduction

Welcome to your first LaTeX document. This is a simple example to demonstrate LaTeX in Visual Studio Code. This is where i made the change.

2 Math Example

Here is an example of an equation:

$$E = mc^2$$

Inline math: $a^2 + b^2 = c^2$

3 Lists

An example of an unordered list:

- Item 1
- Item 2

An example of an ordered list:

1. First item
2. Second item
